

## Welcome to the Sixth Grade Blue Eagle Cyber Academy!

Dear Parents/Guardians,

The 6th grade teachers are looking forward to working with your child in our new Blue Eagle Cyber Academy during the 2020-2021 school year. This is a new experience for many of us, so we are sure you are curious about what supplies you'll need. We also realize that you may want to shop early and take advantage of the numerous Back-to-School sales that are offered during the summer. Most items can be purchased at office supply stores, department stores, or dollar stores. The following school supplies are recommended for Blue Eagle Cyber Academy students for the 2020-2021 school year.

So, we recommend taking time during this last month of summer to set up a quiet workspace for yourself that will be your "school spot" this year. The best workspaces have:</p> <ul style="list-style-type: none"> <li>- Quiet with few distractions (no TV, no toys)</li> <li>- Hard surface (desk or table) with seating</li> <li>- Organized supplies so you have a clear space</li> <li>- Cozy reading space for independent time</li> </ul> <p><b>If you set this space up yourself, you'll be able to make sure it works for you, and you'll probably enjoy using it even more!</b></p>
