

Friday, May 19th 9-11 AM
(Raindate- May 26th) * Both of these dates are Early Dismissal Days

Do you want to have fun running and getting sprayed with Silly String? Then join us in our 2nd Annual NAIS Color Run Fundraiser. Students will run/walk through a course around the Intermediate School and get sprayed with Silly String! The fundraiser will support our school and the Visions of Eagles Foundation!

Visions of Eagles is a non-profit organization started by the NAHS Class of 1962 to raise money for local charities, schools and organizations in the Nazareth Community. They create an impact in the community by offering scholarships, donations and grants. A donation of \$5 *or more* will help our school and the community through the Visions of Eagles Foundation. Cash or checks accepted written to: Nazareth Area Intermediate School.

Last year we raised \$6,000 for Visions of Eagles. Our goal this year is to surpass that amount. So please help us in our effort to support the Visions of Eagles Foundation.

We are looking forward to a day of fun and a great donation to a terrific foundation! Complete the permission slip below and return to your homeroom teacher by Wednesday, May 6th.
