

NAIS Supports American Troops

Parents/ Guardians,

NAIS students are invited to participate in a “Giving Back to America” event that will occur during the school days of April 16,17, and 18. The donations raised for this event will be used to remember and honor our servicemen and women. The programs we will be collecting money for are Wreaths Across America and Tails of Valor. The event will include two different sessions where students will have the chance to participate in a mock “Boot Camp” obstacle course as well as watch trained service dogs in action! Below are the dates of when each grade will participate in the event:

April 16- 6th Grade (1:45 pm- 3:00 pm)

April 17- 5th Grade (1:45 pm-3:00 pm)

April 18- 4th Grade (1:45 pm-3:00 pm)

We would greatly appreciate a donation of **at least \$5** per participant, however, it is not required. Please fill out the permission slip below and have your child return both the permission slip and donation to their homeroom teacher by Wednesday, April 11.

Support American Troops Event

April 16-18

_____ Yes, my child has permission to participate in the Support American Troops Event which includes an obstacle course activity and an assembly to watch trained service dogs in action.

Child's Name _____
