

Welcome to the Blue Eagle Cyber Academy Fifth Grade!

Dear Parents of New Fifth Graders,

The 5th grade teachers are looking forward to working with your child in our new Blue Eagle Cyber Academy during the 2020-2021 school year. This is a new experience for many of us, so we are sure you are curious about what supplies you'll need. We also realize that you may want to shop early and take advantage of the numerous Back-to-School sales that are offered during the summer. Most items can be purchased at office supply stores, department stores, or dollar stores. The following school supplies are recommended for Blue Eagle Cyber Academy students for the 2020-2021 school year.
