

Come visit us in the NAIS Library this summer!

This summer, on Thursday, July 12, from 9:00-12:00, we will be open for our students and parents to come in and check out materials and READ all summer long! We will also have a special program each of those days beginning at 10:00. If you are interested in attending either of these sessions, please fill out the [REGISTRATION FORM](#) . The cost is FREE! If you are simply wanting to come and browse and check out books, we will be there to assist you as well. (Books checked out during the summer will need to be returned to the school office or brought back the first week of school in August.). A representative from Nazareth Memorial Library will be present to share opportunities for our students, too!

Thursday, July 12, 10:00 Mr. Tripaldi will teach a kids canvas painting workshop in his art room, #225 during the summer library session. Students will each paint a landscape painting themed composition on a 16x20 inch canvas. Mr. Tripaldi will teach how to create the painting step by step and students may also add unique features to personalize their paintings with their own unique style. All art supplies will be included.
