Hey NAIS! Do you want to have fun competing in team building challenges? Then join us for our 1st Annual **A“nais”ing Race** fundraiser. Students will run/walk/compete through 7 team building challenges around the Intermediate School. The fundraiser will support our school and the Visions of Eagles Foundation!

Visions of Eagles is a non-profit organization started by the NAHS Class of 1962 to raise money for local charities, schools and organizations in the Nazareth Community. They impact the community by offering scholarships, donations and grants. **ANY DONATION** will help our school and the community through the Visions of Eagles Foundation. Checks are the accepted/preferred form of payment, made out to Nazareth Area Intermediate School. Cash will also be accepted. Complete the Donation Form below with your payment and submit to your homeroom teacher by Wednesday, May 16th.

***Before the day of the event, grade level and homeroom teams will coordinate their team outfits for race day.
It is sure to be a blast!***

ALL STUDENTS WILL PARTICIPATE REGARDLESS IF THEY DONATE OR NOT.

We are looking forward to a day of fun and a great donation to a terrific foundation!

Complete the permission slip below and return to your homeroom teacher by May 16th.
